From the President

By the time you, the members, read these pearls of wisdom the unfortunate postal tantrum that has crippled this country,s communications will be over. Also in the past will be the C.N.A. convention in Toronto - a highly successful affair by any collectors' standards

Our own C.A.W.M.C. Annual General Meeting at the convention was also quite successful. Some fourty-three members were in attendance. The meeting was more fully reported in the August issue of Timber Talk. I enjoyed meeting personally many members whom I had previously known only through correspondence and, of course, renewing old friendships.

I am currently producing a membership brochure about the C.A.W.M.C., and have had a few hundred copies printed. Members who wish a few to promote membership can write to me at P.O. Box 2082 High River, Alberta, TOL 1B0, and I will gladly send a half-dozen (more if required).

Stanley Clute
President

Earl Salterio

The second meeting of the Calgary and District Chapter of the Canadian Association of Wooden Maney Collectors was held at the residence of Earl Salterio August 21,1981 with the following in attendance:

Mrs. Honor Prince, Alberta Director C.N.A.

Stan Clute, President C.A.W.M.C. & 2nd V.P. -C.N.A.

Garry Braunwarth, Govenor C.A.W.M.C. & President Calgary Numismatic Society

Earl Salterio, Immediate Past President Fredericton, N.B. Numismatic Society

Frank Selman, Danny Fader, Alf Wrigley, Red Larkins, and Chair-Man Al Munro.

The Chairman directed a lively discussion on the hobby, with reports forthcoming from those in attendance at the C.A.W.M.C. annual meeting held in Toronto during the C.N.A. Convention. A trading session of some magnitude took place with those in attendance swapping woods and stories, generating excellent appetites for the pizzas that followed. The door prize, consisting of one wood from each in attendance was won by Mrs. Prince.

Our group is growing slowly but steadily and we expect, with the vacation season over, our next meeting to be held in late fall will find our numbers increased even more. All interested parties are welcome.
